

ALTON BUS RALLY & RUNNING DAY

FREE FEEDER BUS SERVICES

Sunday 17th July 2022

Please see the timetables that follow for details of the Free Feeder Bus Services that will operate to and from the Alton Bus Rally & Running Day

Please observe the following notes:

- All feeder bus services detailed in these timetables are FREE and will operate on the day of the event only.
- Passengers travel on these services entirely at their own risk and at the discretion of the Driver / Conductor.
- Children must be accompanied by a responsible adult at all times whilst travelling on these services.
- Passengers must obey any instructions given by Drivers, Conductors and Event Marshals.
- No smoking, eating, drinking or standing passengers are permitted on any vehicle.
- Dogs will only be carried if the Driver / Conductor agrees. (*Assistance dogs will be carried on all services*).
- Pushchairs may only be carried if there is storage space available and they must be folded before boarding.
- We are sorry that wheelchairs cannot be accommodated, unless stated in the timetable, as these services are operated by historic vehicles that were built before the concept of wheelchair accessible buses was conceived, so they do not have a wheelchair space or ramp and they have steps and poles which wheelchairs are unable to negotiate.

Feeder services are in general operated by volunteer drivers using their own privately owned preserved vehicles whilst they are travelling to and from the event. Occasionally a driver or vehicle may become unavailable on the day (ill driver, defective vehicle, etc) which results in the feeder service being cancelled. It is therefore recommended that you have a backup plan in case your feeder service is cancelled. Whilst every effort will be made to run the advertised services, the Organisers reserve the right to cancel or alter any service or part thereof without notice. In the event that it becomes necessary to cancel or withdraw a free feeder bus service, it will be the passengers' responsibility to arrange alternative travel to and/or from their final destination at their own expense. Neither the Organisers, Vehicle Providers or any other party involved, can accept any liability for loss, damage, hurt or inconvenience arising from the failure to operate its service in accordance with the timetables, or at all.
